Game Night

School Improvement Project

Student council has been brainstorming places in the school where we think could use a little change. We have been working on getting the men's bathrooms to all have doors that work, and benches in some hallways. If anyone has a place in BHS that they think needs a little work, please don't hesitate to tell us!

For more information on these events, check out the Student Council Bulletin Board located in the main lobby. Remember, suggestions are always welcome! If you are interested in helping plan any of these events, or have ideas for additional events, come to a Student Council meeting! Newcomers are always welcome. We meet every Monday at 6:00 p.m. in room C112.
