## Burlington High School ReEnvisioning Recommendation

BHS ReEnvisioning Committee  
April 2018

# RECAP ON PAST WORK

- ❖ 2013 Black River Design was awarded an architectural contract to redesign BHS/BTC
- ❖ Extensive amount of valuable input was received from administrators, teachers, staff, school board, parents, and community members to provide planning objectives for the design process
- ❖ Two building project options rose to the top
  - Build New
  - Partial Demolition with Renovation and Expansion
- ❖ 2017 BHS ReEnvisioning Committee was formed and tasked to gain community input and make a recommendation to the Superintendent

# ReEnvisioning Committee's Recommendation To Superintendent

- ❖ Partial Demolition with Renovation and Expansion

# Cost Implications

- \$60 million to \$70 million anticipated cost
- Cost estimate will be refined during design process
- Will require new bonding
- Board will be asked to approve final cost estimate

# Superintendent's Recommended Motion

Be it RESOLVED that the Burlington School Board propose a bond in November 2018 to the community to support the ReEnvisioning and renovation option for Burlington High School/Technical Center.

AND BE IT FURTHER RESOLVED that a ReEnvisioning Campaign be developed to garner public support and other sources of revenue for the project.
