

Student Ambassador Application Summer Adventure Learning Camp

This summer, BHS will be hosting a group of middle and high school students from China, and we invite high school students to apply to be student ambassadors with this program.

The program will last from July 29th to August 10th, and most of the activities will take place at Burlington High School and in the surrounding communities.

Student ambassadors attend the camp for free, participating in project-based and service learning activities and afternoon activities such as swimming, hiking, and field trips around the region. In return for your service, you will receive a letter for your college portfolio, earn community service hours, and have the experience of a lifetime. Please complete the application and use the back of this sheet if needed.
